Culver City Reads is a community-wide reading fest to promote reading, education and literacy. It encourages people of all ages throughout Culver City to read a very special book together and participate in a series of events and activities that take place over the summer months. This year everyone is reading "Peter Pan," the timeless story of adventure and magic by J.M. Barrie. The Schedule of Events is full of pixies, pirates and possibilities and culminates with an "Under the Stars" screening of a Peter Pan movie at Veterans Park on August 19. Through all these events, children and adults alike will see how books come alive!
