

The Culver City Friends of the Library

in Recognition of Vision Research Month
will hold a General Membership Meeting,
the theme being “Vision for the Friends”

Special Guest Speaker will be

Dr. Steve Levin

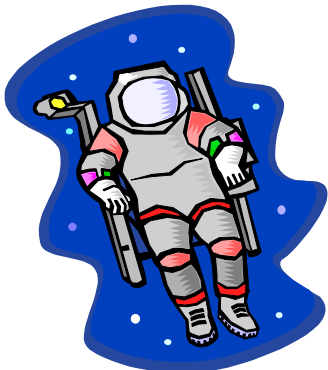

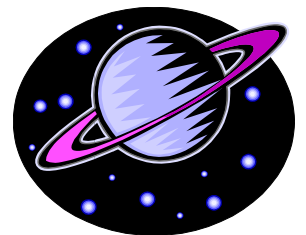

an Internationally known JPL Astrophysicist
who will discuss his groundbreaking research on
the Search for Extra-Terrestrial Intelligence

*Adults and children are welcome to attend
what's sure to be a fascinating program.*

Everyone in attendance will be given a cool “outer space” bookmark

Saturday, June 18, 2005

3:00 PM – 4:00 PM

Admission is Free

Culver City Julian Dixon Library
4975 Overland Avenue, Culver City
